The large number of guides that are used as sources can be used as a benchmark with regard to assessing quality. The more guides that are used as ... DIY: Install OEM Honda Fit Fog Lights on Base Model Fit The fog lights give you a wider view up close. The install was very straightforward and the most time consuming part was getting around under the dash to plug in the harnesses and finding the harnesses to plug into. It took me about 2 hours from beginning to end. The fog lights came with instructions from Honda and also the template that I used to cut out the holes for the fog lights. You do ...
