Utilitarianism - Wikipedia Utilitarianism is a family of consequentialist ethical theories. Although different varieties of utilitarianism admit different characterizations, the basic idea behind all of them is to in some sense maximize utility, which is often defined in terms of well-being or related concepts. Karma - Wikipedia The relationship of karma to causality is a central motif in all schools of Hindu, Jain and Buddhist thought. The theory of karma as causality holds that (1) executed actions of an individual affects the individual and the life he or she lives, and (2) the intentions of an individual affects the individual and the life he or she lives.
