Tourism - Wikipedia Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. Cruise tourism environmental impacts – The perspective ... Cruise tourism is a growing sector of the travel and recreation industry. Due to its mobility it is often one of the first forms of tourism to relocate to new host environments and it is encouraged by transition economies looking to increase foreign revenue. The Nature of the Firm - Coase - 1937 - *Economica* - Wiley ... II. Our task is to attempt to discover why a firm emerges at all in a specialised exchange economy. The price mechanism (considered purely from the side of the direction of resources) might be superseded if the relationship which replaced it was desired for its own sake. The cost, coverage and rollout implications of 5G ... 1. Introduction. Over the last decade, several factors have contributed to the cost-effective rollout of high-speed mobile broadband services, including the standardisation of LTE networks, enhanced spectral efficiency and the allocation of additional spectrum (Ghosh and Ratasuk, 2011, Holma and Toskala, 2012).
