The Future of Public Relations in 2018 | Hallam The Future of Public Relations in 2018. Posted on 08/11/2017 by Alex Jones. share this. I want to start by saying, Public Relations isn't dying, it's evolving! In any profession, there should be a hunger to learn more and become a specialist, but at the moment, there is a particular focus on PR. The scope is changing, and it is getting harder to make an impact. If 2017 has taught me ... Essay: The future of public relations — Stephen Waddington The future of public relations So, what does all of this mean for public relations and its role in managing brand reputation? My belief is that media fragmentation and the rise of Internet-driven communication is returning public relations to its roots as a means for an organisation and its brands to engage with the public in a two-way process. Public Relations: What Are Your Career Goals? , Other (Not ... Public Relations Student's Name Institutional Affiliation Public Relations An in-house PR specialist refers to an individual who conduct the public relation duties and responsibilities within a company.
